FLAMINGOS, ST. LOUIS ZOO

© 1950, St. Louis Zoological Board of Control

Sunday

These graceful, long-legged waders are native to the bays and estuaries of the West Indies, Guianas and Yucatan. The roseate flamingos shown here were raised at the colony established at the Hialeah Race Track, near Miami, Florida, and were donated by the Track Association.

Direct Color Reproduction

Dear Rube & Cliff, Tried to call you Fri. evening. Having a wonderful time - saw television show & went to zoos already. Guess you heard about Hallie. Having wonderful time.

Love,
Nita & Linda & all
